Style of Music during Cocktails : *Is this in a separate area from dinner and dancing? Live music or DJ music? Do you want any style emphasized? Pop, Sinatra, Irish, Italian, Classical, ...? Most people have me pick a lively mixed variety of tunes.*

Music for Introductions : *This could be anything from Vivaldi's "Spring", Enya's "Only Time", "Rock And Roll Part II" (The Hey Song), the Chicago Bulls Theme "Sirius", to "Let's Get Ready To Rumble/Get Ready For This". See a full list on my site or ask me to send it. I do not recommend separate songs for every couple to be introduced because it slows down the process but can be done.*

Introductions – *Usually starts with the Parents, then Flower Girls & Ring Bearers, Bridesmaids and Groomsmen, Maid/Matron of Honor and Best Man, and then the Bride and Groom. Grandparents and/or parents or other special guests can be part of the introduction group or simply recognized at their tables. You can identify as "Sister of the Bride" or "Friend of the Groom" if you wish.*

Parents

Flower Girls & Ring Bearers

Bridesmaids and Groomsmen: *if there are more than 3 couples it might be better to provide a separate list with everyone to be introduced on it in the exact order and pairings with Best Man and Honor Attendant last before you.*

Bride and Groom: *Think about exactly how you want to be introduced i.e. "Mr. and Mrs. Michael Michael Smith", or Mr. and Mrs. Michael and Mary Smith", or "Mike and Mary", ...*
